

# A Look at Residential Development As Presented by Mattamy Homes

Wed March 11  
11:30am-1pm

\$30  
Plus GST

Quality Inn North Hill  
7150 50th Ave  
Red Deer AB

## About the Event

Founded in 1978, Mattamy Homes built its first house in Burlington Ontario. Thirty-seven years later, Mattamy Homes is now Canada's largest integrated builder/ developer, and the largest privately owned home builder in North America.

This lunch and learn, as presented by Mattamy Homes, is intended to describe their approach to community development and new home design with a focus on sustainable principles which they believe add the most value to all stakeholders.

## About the Speaker

### *Collin Campbell*

Collin Campbell is Vice President of Land Development for Mattamy Homes, Calgary Division. Collin has more than 15 years' experience in all facets of the residential land development process including acquisition, feasibility studies, community visioning, municipal policy, urban planning, engineering design, construction management, marketing, financing, and project management.

Collin is a Civil Engineering Technologist graduate of Fanshawe College in London Ontario, and a certified Project Management Professional. He is actively involved with the Urban Development Institute and the Canadian Home Builders Association and is also a member of the Association of Science and Engineering Technology Professionals of Alberta and the Project Management Institute.

Collin is very passionate about bringing innovation to land development for the betterment of new communities. He lives in Calgary with his wife, daughter, and son.

## Details and Registration

Cost for this event is \$30/person, plus GST.

A hot lunch buffet will be served at 11:45am with the presentation commencing at 12:00pm.

All registration and payment must be done online at [www.albertaplanners.com](http://www.albertaplanners.com) by March 9, 2015. Note that all no-shows will be billed.
