APPI E News

June is National Indigenous Peoples History Month & June 21, 2024 is National Indigenous Peoples Day

APPI and its members recognize their responsibility to truth and reconciliation, acknowledging the significant role that planners and communities, alongside Indigenous Peoples, can play in this process. APPI encourages its members to honor Indigenous History Month and National Indigenous Peoples Day by deepening their understanding of the unique heritage, diverse cultures, and remarkable contributions of First Nations, Inuit, and Métis peoples. There are many opportunities to support your learning and to celebrate throughout Alberta, the NWT, and Nunavut this month, with a majority taking place the week of June 17 – 21.
