APPI 2024 Member Survey

APPI Council has identified Equity, Diversity, Inclusion and Accessibility (EDIA) as a strategic priority. To drive meaningful action on this priority, Council has formed the EDIA Working Group, tasked with guiding APPI on its journey to becoming a more equitable and inclusive organization for its membership.

To evaluate the current state of equity, diversity, inclusion, and accessibility within APPI, the EDIA Working Group has created this survey. The insights gathered will inform policy recommendations that the Working Group is developing and will be presented to APPI Council for adoption in early 2025.

Your participation in this survey is crucial; it will help shape APPI's programming, events, services, and communications, to help ensure they are more inclusive, equitable, and accessible for all members. Thank you for contributing to this important initiative!

Confidentiality: All responses are anonymous, and individual responses will not be shared.
