## Alberta Professional Planners Institute Unveils Strategic Plan for 2025 -2029

The Alberta Professional Planners Institute (APPI) is pleased to announce the launch of its Strategic Plan for 2025-2029, outlining a forward-thinking roadmap to advance the planning profession across Alberta, Northwest Territories, and Nunavut.

Building upon the successes of the previous Strategic Plan, the new plan emphasizes:

- **Responsible REGULATION in the public interest:** Proactively lead governance strategies to inform and enhance professional practice.
- **Enhanced RELATIONSHIPS:** Enhance relationships with APPI members and other groups to increase engagement and collaboration.
- **Proactive RISK and opportunity management:** Mitigate risks and pursue opportunities to ensure the long-term health and success of the organization.

APPI's continuing mission is to be the face of the planning profession within Alberta, Northwest Territories, and Nunavut. We serve the public interest by providing regulation, advocacy, promotion and services for our members.

"Our 2025-2029 Strategic Plan reflects our commitment to ethical practice, diversity, and the development of resilient communities," said Khalid Mohammed, APPI President. "We are dedicated to supporting our members and advancing the planning profession to meet the evolving needs of the regions we serve."

APPI engaged its membership in the development of this plan, conducting surveys to define and develop strategic priorities and goals that are both achievable and measurable.
