2018 APPI CONFERENCE
SEP 30-OCT 2 KANANASKIS

SPONSORSHIP PACKAGE

2018 APPI CONFERENCE

The theme of the 2018 conference is 'Revitalize'. From nations to neighbourhoods, to teams and individuals; we all experience change. Each day is a new opportunity to invigorate and renew our professional practices and in turn our communities. The conference will focus on how planners transition these opportunities into reality to revitalize the places where we live, work and play.

We welcome you to participate in sessions which will explore how change is harnessed in rural and urban settings, and at a variety of scales, from local to provincial. Presenters will share strategies for, and experiences of, innovative and emerging revitalization efforts. We anticipate a wide range of topics and presenters from public and private practice along with valuable education sessions. A number of tours and social events will provide opportunities to explore the beauty and history of the Kananaskis area, and to foster connections with colleagues.
