

We're hiring!

The Municipal District of Bonnyville (M.D.) is looking for a Planner to become a part of the Planning and Development Team.

We're looking for someone with three P's — Planning, Project Management, and Passion.

What this position entails:

- ◆ Managing planning projects
- ◆ Researching and preparing statutory documents
- ◆ Assisting in the development of strategic land use planning
- ◆ Developing innovative and unique solutions for complex rural/urban development
- ◆ Engaging with and presenting to Council, colleagues, and residents' information about planning projects
- ◆ Investigating and providing analysis of community planning issues and opportunities to address future growth

What we offer:

- ◆ Competitive compensation and benefit package
Salary range: \$101,046.40 - \$122,413.20
- ◆ Annual health and wellness allocation
- ◆ One personal day a month, plus 15 paid vacation days a year to start
- ◆ Local Authorities Pension Plan
- ◆ Professional development opportunities
- ◆ Discounts at M.D. Parks & Recreation facilities, including campgrounds and Kinosoo Ridge Resort
- ◆ Collaborative environment fostering respect, ethics, and teamwork

What makes the M.D. the perfect place to call home:

We are Alberta's Lakeland with more than 80-named lakes and provide excellent recreational activities year-round. We also own and operate 12 lakeside campgrounds and Kinosoo Ridge Resort – a boreal playground nestled on the shores of Cold Lake, offering target golf and an aerial climbing structure in the summer and 42 acres of skiable terrain in the winter. The M.D. offers a unique rural/urban/lakeside lifestyle, with two neighbouring urban centres.
